6x6 began as a small fund-raising project, but has grown into an international art phenomenon. Last year over 5,000 artworks from 43 US States and 22 Countries were entered in this exhibition!

Help us build an exhibition of artworks from ALL 50 US States with more global participation than last year. Please invite everyone you know to send their artworks early. **The first 5,000** artworks received will included in this year's exhibition.

6x6x2011: Global is the fourth exhibition of thousands of original artworks, made and donated by celebrities, international & local artists, designers, college students, youths, and YOU. Each artwork must be 6x6 square inches and signed only on the back, to be exhibited anonymously. All artworks will be for sale to the public for \$20 each to benefit RoCo. Artist names will be revealed to the buyer upon purchase and all artworks remain on display through July 10, 2011.
